

Affiliation	Investigator Clinical Neuroscience Solutions, Inc. 618 East South Street, Suite 100 Orlando, FL 32801 04/23 – present	Investigator Clinical Neuroscience Solutions, Inc. 2863 S. Delaney Avenue Orlando, FL 32806 04/23 - Present
License/Accreditation	Florida Medical License Number: ME 95451 Board Certified in Internal Medicine with Focused Practice in Hospital Medicine, American Board of Internal Medicine: 2016 Board Certified in Internal Medicine, American Board of Internal Medicine: 2006	
Good Clinical Practices	CNS Healthcare: “Standard Operating Procedures including GCP”, 2024 Other sponsor required GCP	
Clinical Trial Experience and Interests	Investigator on over 51 phase II-IV clinical trials in pediatric, adolescents, adults and geriatrics. Indications include: Addiction, ADHD, Pediatric ADHD, Alopecia, Arthritis, Alzheimer’s Disease, Autism, Bipolar Disorder, CMV Vaccine, COVID-19 Vaccination, COVID-19 treatment, COVID-19 pain, Dermatology, Depressive Disorders, Diabetes, Fibromyalgia, Hot Flashes, Hypertension, Major Depressive Disorder, Migraines, Obesity, Panic, PTSD, Social Anxiety, Stuttering, Sexual-Dysfunction, UTI, and Vaccines.	
Industry Contacts	Alto Neurosciences, Apnimed, Axsome, Biohaven, Caidya, Cassava, Sciences, Cingulate, Compass, Corium, Dare & Strategic Science Technologies, Dermavant Sciences Inc., Denovo Biopharma, EmpowerPharma Inc., Engrail Therapeutics, Evelo Biosciences, GlaxoSmithKline, Highlightll Pharma, Indivior, Integrum, Intracellular Therapies, Janssen, Mithra/Estetra Pharmaceuticals, Moderna, MindMed, Neurmora, Noema Pharma, Novo Nordisk, Novavax, Otsuka, Pfizer, Q3 Bio, Relmada, Shire, Supernus, Sunovion, Swing, Tonix, and Vial.	
Professional Experience	Physician, Surgical and PCU Dr. Phillips Hospital at Orlando Health Orlando, FL July 2006 – Present Investigator The Mount Vernon Hospital Mount Vernon, New York July 2003 – June 2006	

Physician, ICU and PCU
The Mount Vernon Hospital
Mount Vernon, New York
July 2003 – June 2006

Medical Assistant
Medical Clinic of North Texas, Obstetrical & Gynecological Associates
August 2000 – December 2000
Investigator
Donetsk National Medical University, Department of Obstetrics &
Gynecology
1986 – 2000

Senior Lecturer
Donetsk National Medical University, Department of Obstetrics &
Gynecology
November 1993 – March 2000

Postgraduate Student
Donetsk National Medical university, Department of Obstetrics &
Gynecology
December 1990 – November 1993

Ob/GYN Resident
Donetsk National Medical University, Department of Obstetrics &
Gynecology
August 1986 – August 1998

Professional Training

Internal Medicine – Medical Residency
The Mount Vernon Hospital
Mount Vernon, New York
July 2003 – June 2006

Obstetrics & Gynecology – Medical Residency
Donetsk Medical University
Donetsk, Ukraine
August 1986 – July 1988

Education

Donetsk National Medical University, Donetsk, Ukraine
Doctor of Medicine
1980-1986

Donetsk National Medical University, Donetsk, Ukraine
Doctor of Philosophy in Medical Sciences
1990-1993

Professional

Infectious Disease in Obstetrics and Gynecology: International Symposium
Immunopathogenesis of Chlamydia Infection, New York , Is there a

Publications

connection between Immunity Response of women with Chlamydia trachomatis infection of the Genital Tract and Serum or Cervical Mucus Antiseminal Antibodies? , Miroshnikova T., Chernyshova L., 12 /1996, Volume: 4, Number 3, Pages: P.190

Infectious Disease in Obstetrics and Gynecology: International Symposium Immunopathogenesis of Chlamydia Infections, New York, Habitual Abortion-The Consequence of Immune Response to Chlamydia trachomatis Infection of the upper genital tract in women, Miroshnikova T., 12 /1996, Volume: 4, Number 3, Pages: P.191-192

Collection of articles by Joint Ukrainian-German Scientific Conference., The role of Chronic Chlamydia! Infection in customary premature pregnancy., Chaika V., Miroshnikova T., Sevostyanova T., 10 /1996, Volume:, Pages: P.84-86

Collection of articles by Joint Ukrainian-German Scientific Conference, Our experience in the treatment of bacterial vaginosis with Clindamycin., Miroshnikova T., Iotenko B., 10/1996, Volume:, Pages: P.112-113

Collection of articles by Joint Ukrainian-German Scientific Conference, Our experience in the treatment of Urogenital Chlamydiosis in women of reproductive age., Chaika V., Miroshnikova T., Iotenko B., 10 /1996, Volume:, Pages: P.100-101

Collection of articles by Joint Ukrainian-German Scientific Conference, The influence of Chlamydia! Infection on women's cellular immunity, Miroshnikova T., Iotenko B., Sevostyanova T., 10 /1996, Volume:, Pages: P.97-98

Third European Chlamydia Meeting, Vienna. , The prognosis of abortion in pregnant women with chronic genital chlamydiosis, Miroshnikova T., 09 /1996, Volume:, Pages: P. 183

XV-th European Congress of Perinatal Medicine, Glasgow., Immunological changes in women with genital Chlamydia! Infections are predispositional factors to prematurity and preterm deliveries, Miroshnikova T., 09 / 1996, Volume:, Pages: Abstract# P/257

Collection of articles by Young Researchers and Specialists Doneck Medical University., Physiological research interactions of different management mechanisms of contractive uterine activity at pregnancies' end and during deliveries, Miroshnikova T., Chaika V., 1996, Volume:, Pages: P.141-143

Collection of articles by Young Researchers and Specialists, Doneck Medical University, Clinical immunological aspects of habitual abortion with infection etiology., Miroshnikova T., Sevostyanova T., 1996, Volume:, Pages: P.138- 151

Collection of article "Actual questions of clinical Obstetrics and Gynecology", Donetsk, The plasma level of Prostaglandins E and F2 in women with physiological pregnancy and complicated with premature membrane rupture and disturbance of the uterine capacity to contract, Chaika A., Miroshnikova T., 05 /1995, Volume:, Pages: P.41-43

Collection of articles "Actual questions of clinical Obstetrics and Gynecology", Donetsk, Quantitative evaluation of cyclic mononucleotides content in serum of women with physiological pregnancy and complicated with premature membrane rupture and disturbance of the uterine capacity to contract, Chaika A., Miroshnikova T., 05 /1995, Volume:, Pages: P.36-38

Collection of articles "Actual questions of clinical Obstetrics and Gynecology", Donetsk , Probability model for prognosis of preeclampsia in the evaluation of the effectiveness of treatment and prophylaxis in high risk women, Miroshnikova T., 05 /1995, Volume:, Pages: P.14-16

European Journal Infectious and Immunological Diseases in Obstetrics and Gynecology: IInd European Congress of the European Society Infectious Diseases in Ob&Gyn /ESIDOG/ combined with Infectious Diseases in Urology and Dermatology, Spain, Marbella, Complex therapy of chronic chlamydia! vulvovaginitis, Chaika V., Matitsina L, Miroshnikova T., 05 /1995, Volume: 0/95, Pages: P.127

European Journal of Infectious and hnmunological Diseases in Obstetrics and Gynecology: IInd European Congress of the European Society of Infectious Disease in Ob&Gyn /ESIDOG/ combined with Infectious Diseases in Urology and Dermatology. Spain, Marbela, The diagnostics of urogenital infections in girls and teenagers, Chaika V., MatitsinaL, Miroshnikova T., 05 /1995, Volume: 0/95, Pages: P.115

Abstracts of the Regional Scientific Conference devoted to the 30th year celebration of the Ob/Gyn Department postgraduate study at Doneck Medical Univrsity, The influence of magnetic field on the hormonal and immunological status women with chronic pelvic inflammatory diseases, Kitsenko V., Kvashenko V., MiroshnikovaT., 1995, Volume:, Pages: P.67

Abstracts of the Russian Scientific Conference, Sankt-Peterburg, Long term consequences of the influence of small doses of radiation on pitnitary-gonadal system of fertile women, Babich T., Ivanitskaya N., Miroshnikova T., 1995, Volume:, Pages: P.13

Abstracts of the Russian Scientific Conference,Sankt-Peterburg, The significance of arginin-vasopressin evaluation in women with physiological pregnancy and preeclampsia, Barinov E., Miroshnikova T., 1995, Volume:, Pages: P.20

Abstracts of the Russian Scientific Conference "Neuroendocrinology-95", Sankt-Pete.rburg, hnmune system adaptation offertile women who were

exposed to small doses of radiation, Babich T., Miroshnikova T., 1995, Volume:, Pages: P.15-16

Abstracts of the Scientific Conference "Actual problems of prematurity", Kiev, The state of T- and B- cellular immunity in pregnant women with prematurity and chronic Chlamydia! infection, Iotenko B., Miroshnikova T., Sevastyanova T., 1995, Volume:, Pages: P.24

Abstracts of the Ukrainian Scientific Conference of Young Researchers and Specialists, The biological effect of magnetic fields on women's reproductive functions, Kitsenko V., Miroshnikova T., 1995, Volume:, Pages: P.79

Collection of articles "Actual problems of occupational pathology and radiological medicine", Donetsk, Cellular and humoral immunity of fertile women who were exposed to small doses of radiation, Chaika V., Miroshnikova T., Babich T., 06 /1994, Volume:, Pages: P.288-290

Collection of articles "Mathematical models in Obstetrics and Gynecology", Prognosis of preeclampsia in pregnant women by "Markovski processes", Miroshnikova T., 05 /1994, Volume:, Pages: P.23-25

Abstracts of the Regional Scientific Conference, The use of a statistical model in the assessment of preeclampsia therapy, Miroshnikova T., Chaika V., 1994, Volume:, Pages: P.77

Abstracts of the Regional Scientific Conference, Immunological characteristics of preeclampsia, Chaika V., Miroshnikova T., 1994, Volume:, Pages: P.126

Doneck Medical University, Preclinical diagnosis and prophylaxis of preeclampsia. Dissertation leading to Ph.D. in Medical Sciences., Miroshnikova T., 09/1993, Volume:, Pages: 162p.

Medical affair, Comparative evaluation of inhibiting migration versus inhibiting adhesion of leukocytes in the diagnosis of preeclampsia, Slyusar L, Miroshnikova T., 05 | 1993, Volume:, Pages: P.35-39

Abstracts of the Regional Scientific Conference "Actual problems of Donbass clinical medicine", Donetsk, The clinical significance of the detection of immune response in women with habitual abortions., Chaika V., Kvashenko V., Miroshnikova T., 1993, Volume:, Pages: P.174

Abstracts of the Scientific Conference devoted to the 60th year celebration of the Ob/Gyn Department #1 at Doneck Medical University, The prognosis of conservative therapy in prematurity up to 12 weeks according to ultrasound investigations and content of the trophoblast b-globulin, Trifonova E., Miroshnikova T., Iotenko B., 1993, Volume:, Pages: P.281

Abstracts of the Scientific Conference devoted to the 60th year celebration of the Surgical Department at Doneck Medical University, Immunological criteria in preclinical diagnosis of preeclampsia, Chaika V., Miroshnikova T., 1992, Volume: 2, Pages: P.133

Abstracts of the Scientific Conference devoted to the 60th year celebration of the Surgical Department at Doneck Medical University, The method of statistical probability in the evaluation of the treatment of preeclampsia., Miroshnikova T., 1992, Volume: 2, Pages: P.34

Abstracts of the Scientific Conference devoted to the 60th year celebration of the Surgical Department at Doneck Medical University, Probability model in prognosis of preeclampsia in high risk women., Chaika V., Miroshnikova T., 1992, Volume: 2, Pages: P.132

Medical Abstracts Journal, Clinical statistical analysis of gynecological morbidity and pregnancy outcome in women working at Drudjkovski plant during 1989-1990, Chaika V., Miroshnikova T., 05 /1991, Volume: 10, Pages: 7p.

Medical Abstracts Journal, Sexual hormones' levels and Alkaline Phosphatase in female workers with pelvic inflammatory diseases at Drudjkovski plant, Chaika V., Miroshnikova T., 03 /1991, Volume: 10, Pages: 5p.

Abstracts of the IXth Congress of Obstetricians and Gynecologists of Ukraine, Kiyv, Immunological criteria in diagnosing the severity of preeclampsia, Miroshnikova T., Slyusar L, Chemyaeva Y., 1991, Volume:, Pages: P.285

Abstracts of the Scientific Conference Donetsk-Moscow., Factors predisposing the occurrence of preeclampsia, Miroshnikova T., Yakovleva E., 1991, Volume:, Pages: P.225-226

Abstracts of the Scientific Conference, Donetsk-Moscow, Prophylaxis of preeclampsia during preclinical stage, Miroshnikova T., 1991, Volume:, Pages: P24-25

Abstracts of the Scientific Conference, Donetsk-Moscow, Immunological criteria in diagnosing preeclampsia, Miroshnikova T., 1991, Volume:, Pages: P.22-23

Abstracts of the Scientific Conference, Donetsk-Moscow, Comparative evaluation of methods determining sensitivity to different organs' tissues in pregnancies with preeclampsia, Miroshnikova T., 1991, Volume:, Pages: P.227-228

Medical Abstracts Journal, The influence of general vibrations on blood circulation of the female pelvic organs, Chaika V., Miroshnikova T, 10

/1990, Volumes 10, Pages: 6p.

Medical Abstracts Journal, Immunological status and specific functions of female organisms exposed to general vibrations, Chaika V., Miroshnikova T., 09/1990, Volume: 10, Pages: 6p.

Medical Abstracts Journal, Gynecological morbidity in women who work under the influence of general vibrations, Chaika V., Miroshnikova T., Titenko T., 09 /1990, Volume: 10, Pages: 5p.

Abstracts of the 2nd World Congress on Immunology, Criteria for the evaluation of the organism's sensitivity to complex antigens., Slusar L., Miroshnikova T., Chemyaeva Y., 05 /1990, Volume: , Pages: P.213

Abstracts of the Regional Scientific Conference of Young Researchers and Specialists., The significance of cellular immunity in the pathogenesis of preeclampsia, Miroshnikova T., 1990, Volume:, Pages: P.161

Medical Abstracts Journal, The lipids peroxidation in pregnant women in industrial settings, Chaika V., Akimova I., Kvashenko V., Miroshnikova T., 05 /1989, Volume: 10, Pages: 4p.

Medical Abstract Journal, The influence of different regimes of magnetic therapy on nonspecific reaction of "laboratory" animals, Chika V., Borodin A., Miroshnikova T., 04 /1989, Volume: 10, Pages: 1lp.

Medical Abstracts Journal, Prophylaxis and treatment chronic pelvic inflammatory diseases in women working in industrial settings, Chaika V., Akimova I., Kvashenko V., Miroshnikova T., 04 /1989, Volume: 10, Pages: 9p.

Medical Abstracts Journal, The influence of different regimes of magnetic therapy on the nonspecific reaction of, Chaika V., Borodin A., Miroshnikova T., 04 /1989, Volume: 10, Pages: 1lp.

Medical Abstracts Journal, Prophylaxis of prematurity in women working in industrial settings, Chaika V., Akimova I., Kvashenko V., Miroshnikova T., 03 /1989, Volume: 10, Pages: 4p.

Medical Abstracts Journal, State of health and morbidity in women working in the chemical industry, Chika V., Akimova I., Kvashenko V., Miroshnikova T., 03 /1989, Volume: 10, Pages: 1lp.

Abstracts of the Xth Ukrainian Scientific Conference of Young Researchers and Specialists., Role of immunity in pathogenesis of preeclampsia., Miroshnikova T., Levchenko I, Tumasov A., 1989, Volume:, Pages: P.86

Abstracts of the Xth Ukrainian Scientific Conference of Young Researchers and Specialists, Prognosis of preeclampsia by use computer software,

Miroshnikova T., Matitsina L, 1989, Volume:, Pages: P.145-146

Abstracts of the Xth Ukrainian Scientific Conference of Young Researchers and Specialists., Disturbance of uterine contractions and its prophylaxis in ladies with preeclampsia, Chaika A., Miroshnikova T., 1989, Volume:, Pages: P.147-149

Medical Abstracts Journal, Prophylaxis of perinatal pathology in pregnant women with macrosomia, Yakovleva E., Miroshnikova T., 09 /1987, Volume: 10, Pages: 4p.

Medical Abstracts Journal, Peculiarities in the treatment of pelvic inflammatory diseases in women working in mineral production industries, Yakovleva E., Miroshnikova T., 08 /1987, Volume: 10, Pages: 3p.

Medical Abstracts Journal, Pregnancy duration and delivery in multiple pregnancies, Yakovleva E., Miroshnikova T., 08 /1987, Volume: 10, Pages: 4p.

Medical Abstract Journal, Methods of prophylaxis and treatment of gynecological diseases in women working in industrial settings, Yakovleva E., Miroshnikova T, 07 /1987, Volume: 10, Pages: 4p.

Medical Abstract Journal, Significance of HIV for Obstetrical and Perinatal Pathology, Miroshnikova T., 1987, Volume: 10, Pages: 4p.

Abstracts of the Regional Scientific Conference of Young Researchers and Specialists, Clinico-immunological aspects of pregnancy complicated with Pyogenous infection, Kozhemyakin A., Miroshnikova T., 1986, Volume:, Pages: P. 182- 183

Medical Abstracts Journal, Method of complex complex therapy /Sternberg M.I./ for medical students, Yakovleva E., Vahnina D., Baidala V., Miroshnikova T., 07 /1985, Volume: 10, Pages: 3p.

Medical Abstracts Journal, Deontology of abnormalities of female genitals development., Yakovleva E., Kush T., Baidala V., Miroshnikova T. , 03 /1985, Volume: 10, Pages: 48
